Summary of HOAC Rules and Regulations

Responsibility/Insurance

- The Centre has third party liability insurance cover. Users are strongly advised to take out personal accident insurance prior to any activity. **Water safety cover is provided. However users, including juniors, are advised that they participate in activities at their own risk.**
- The Centre accepts no liability for the loss or damage to personal property, including money.
- All craft on the water must be insured for third party risks (minimum), have adequate buoyancy and should keep approximately 10 metres from the fishing banks.

Safety

- All water users must be able to swim 10 metres lightly clothed and be water confident.
- An approved buoyancy aid must be worn at all times when on or near the water or on the pontoons.
- Clothing suitable to the activity and prevailing conditions must be worn. This includes footwear which must be worn at all times both on and off the water.
- Swimming is **NOT** allowed.
- Users should notify the Duty Officer of the day of any relevant medical or physical condition that may affect their fitness to participate in the activity.
- Dogs are not encouraged and must be kept on a lead.

Membership

- Any person going on the water must either be an annual member or register as a day member with the Duty officer. An annual membership card is issued in the name of the member who is expected to carry it at all times whilst using the water. This card is not transferable and if lost, the replacement fee is £6.
- I am a current tax payer and would like HOAC to treat this as gift aid until I notify otherwise.

**I have read the Summary of HOAC Rules and I/my family agree to abide by them.
I/we also agree to treat QSC Boats with respect and return them to their parking spaces in good condition after use.**

ADDITIONAL INFORMATION

Queensmead Sailing Club was originally formed for pupils of Queensmead School. However, for many years now we have accepted both adults and youngsters from all parts of the community.

We are an informal organisation with a wide range of activities, both at HOAC and off-base. Full information on these may be found in the current newsletter.
