## Format

We will run 6 races back to back, the type of race will be chosen by the race officer but will initially follow the list above.

There will be a delay between each race as results are taken from the screen and the next race is set up, but you will be informed via whatsapp when the race is open

## Race Fees

There will be no race fees for the first race, but for the second race onwards, we would like a contribution of £3.00 from each competitor for the entire series until Lockdown 2.0 ends (hopefully in December). We expect there to be at least four weeks racing in the series and if demand is there may extend it up to Christmas (lockdown or not).

**Race results** will be collated and published.
